Recyclable packaging

DIRECTIONS:

	Purpose Dilute concentrate with cold water	Dilution	32 oz. Bottle	Bucket Fill
	Glass Cleaner <i>Limpiador de Vidrio</i>	1:64	1/2 oz. Concentrate	2 oz. Per Gal.

It is recommended that protective gloves and glasses be worn when using this and all cleaning products.

1. Dilute one part concentrate to 64 parts cold water (2 oz per gallon).

2. Apply to surface to be cleaned with a sprayer or wipe on with a cloth or sponge dampened with cleaner.

3. Squeegee or wipe off with a clean, lint-free absorbent cloth. No rinsing required.

This product meets Green Seal's environmental standard for industrial and institutional cleaners based on its reduced human and aquatic toxicity and reduced smog production potential.
